by **TAGA** URBANIC

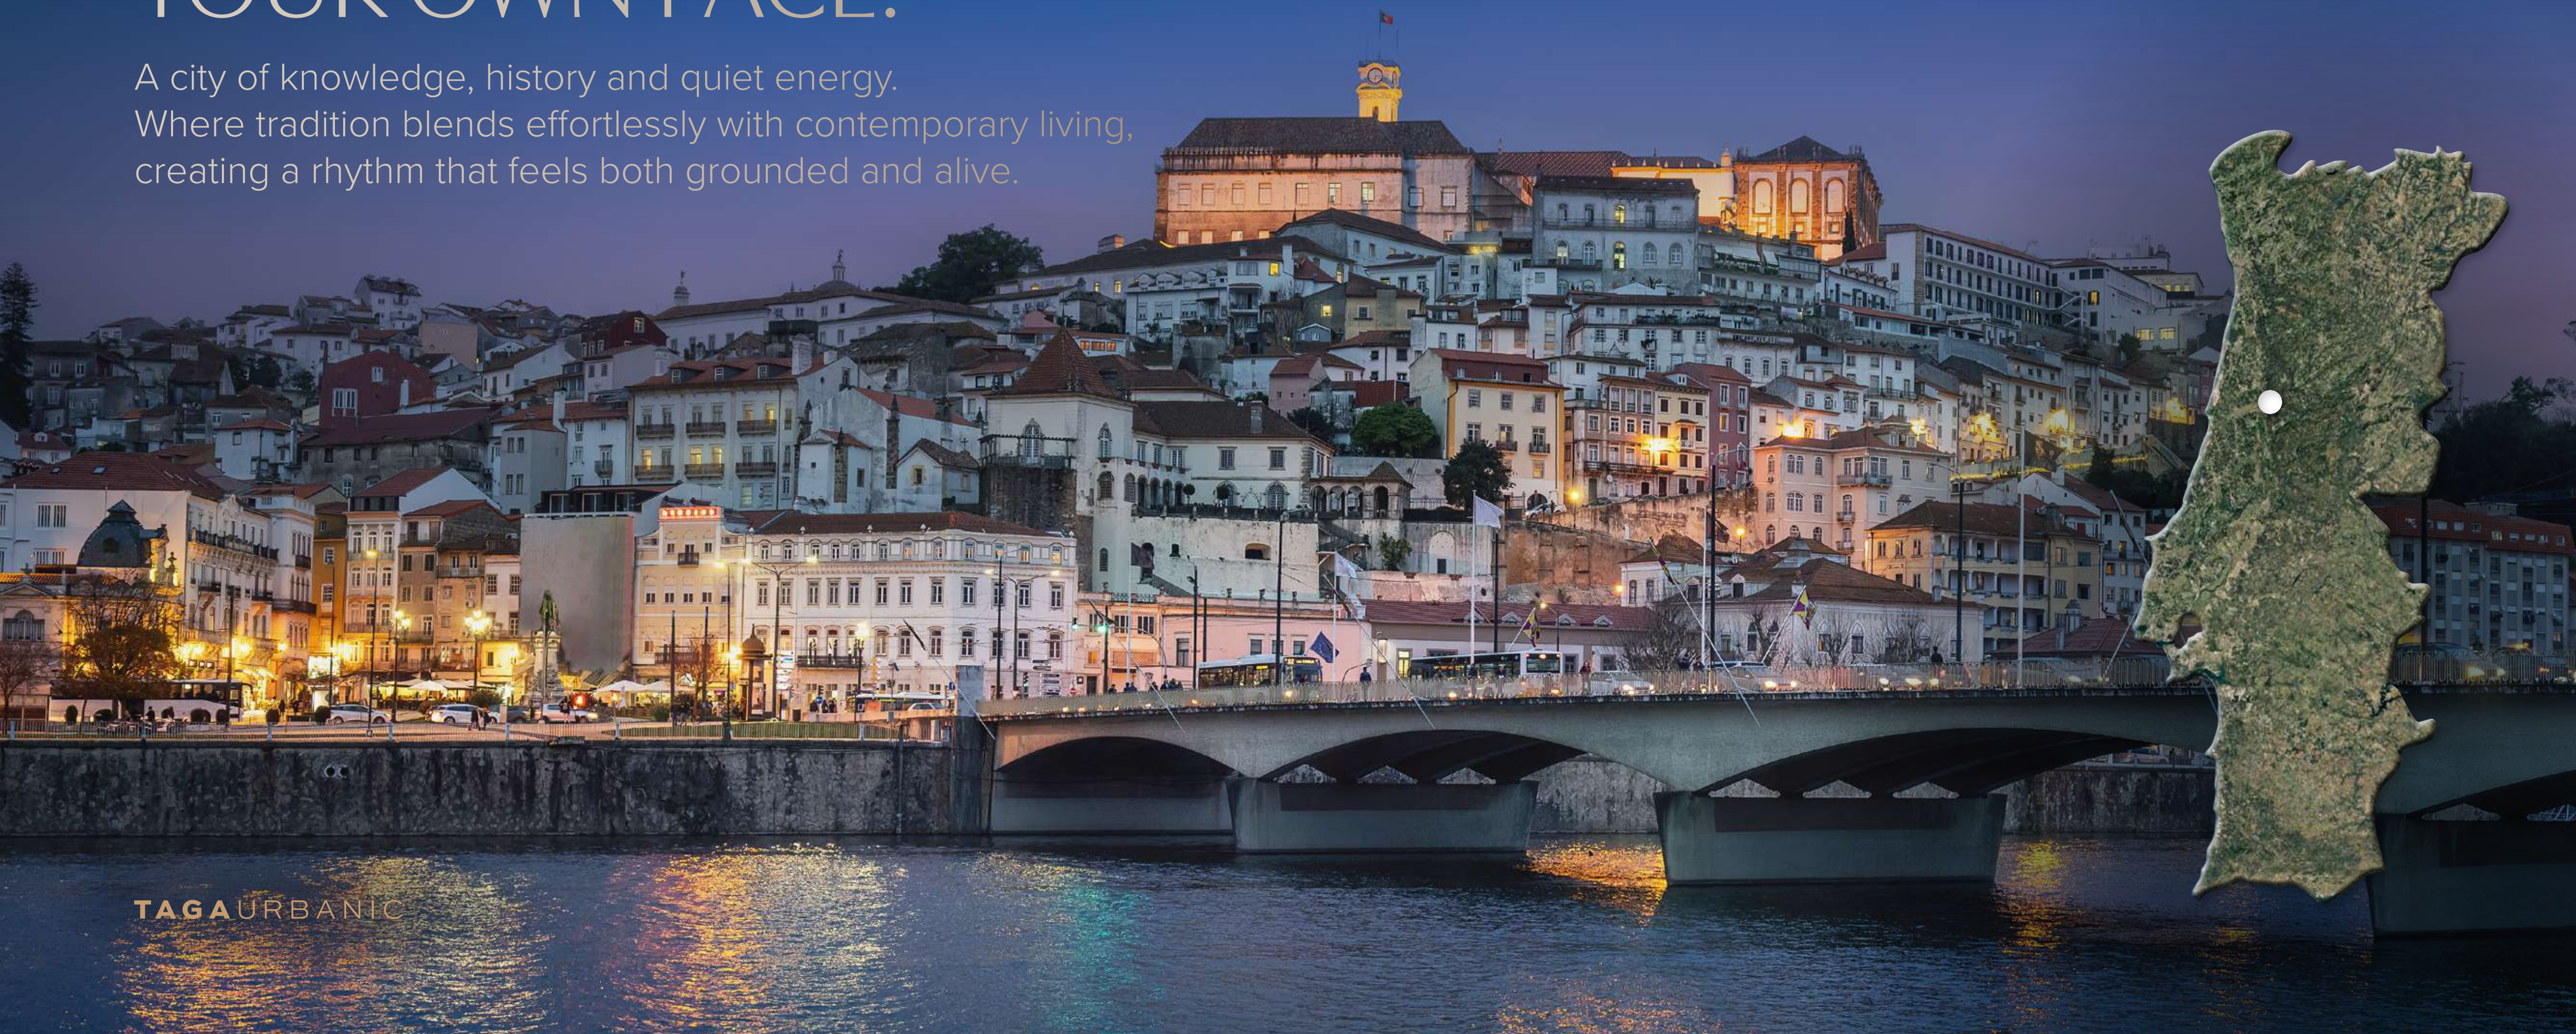

THE CITY

COIMBRA, LIVED AT YOUR OWN PACE.

A city of knowledge, history and quiet energy.
Where tradition blends effortlessly with contemporary living,
creating a rhythm that feels both grounded and alive.

TAGA URBANIC

SAME CITY, DIFFERENT RYTHM.

Every day begins with a feeling.
A softer pace. A quieter moment.
Sitting in the large balconies,
or simply standing still, a place
where light enters gently, and
the city unfolds around you,
without rush.

TAG URBANIC

THE NEW URBAN PARK

A NEW PARK AT YOUR DOORSTEP.

TAGA URBANIC

Right in front of the development, a new urban park is coming to life. More than **30.000m²** of green space designed for morning walks, and afternoon play.

All apartments open onto private balconies overlooking the park, creating a constant connection between the indoor and the landscape beyond.

THE PROJECT

AND THEN YOU ARRIVE HOME...

The pace slows down. The noise fades.
And everything begins to feel exactly right.

TAGA URBANIC

Celas Parque stands out for its contemporary architecture and timeless design.

Across all buildings, clean lines, refined materials, and generous proportions come together to express an elegance born from simplicity where function and beauty coexist.

TAGA URBANIC

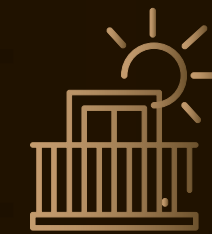

THE ARCHITECTURE

DESIGNED TO FEEL EFFORTLESS

The architectural language of Celas Parque:
clean, contemporary, and designed with intention.

It brings together generous areas, natural light,
and a strong connection to the surrounding landscape.

THE APARTMENTS

DESIGNED WITH CLARITY.

Carefully selected finishes
that combine quality, durability
and a refined sense of detail.

TAGA URBANIC

Here, light leads life. Maximizing comfort and well-being, every living room faces south, welcoming natural light throughout the day. The result is a bright, calm atmosphere where spaces feel open, balanced, and effortlessly comfortable.

Every home extends beyond its walls. All apartments include private exterior spaces facing south, creating a seamless transition between interior and exterior, and enhancing the overall living experience.

TAGA URBANIC

Designed for how life unfolds. With just two carefully designed layouts, each apartment offers a clear separation between social and private areas. Efficient, balanced, and intuitive spaces designed for real, everyday life.
